I wake up to my problems  
That never go away  
I try and stay content  
With keeping my life at bay

I question all the answers  
Another day goes by  
I watch as the world spins  
Another day goes by  
I seem to be going nowhere  
Another day goes by  
Another day  
Another day goes by

I need to ask some questions  
I need a straight reply  
It's hard to make decisions  
When all you have is lies

I question all the answers  
Another day goes by  
I watch as the world spins  
Another day goes by  
I seem to be going nowhere  
Another day goes by  
Another day  
Another day goes by

I'm fu\*king going nowhere  
I live my life on trial  
Days seems so pointless  
I live in such denial  
Denial  
Denial

Another day goes by

I question all the answers  
Another day goes by  
I watch as the world spins  
Another day goes by

I seem to be going nowhere  
Another day goes by  
Another day  
Another day goes by
