[Talking]

Yeh, Virtuoso, Snipe 4-20

We omnipotent yo

[Hook]

Intelligence is irrelevant to success

When disrespectful intellectuals get blasted in the chest

Depressed violent challenged constantly under arrest

Best be determined crime minds burnin' for a higher learnin'

[Verse 1]

My lips tremble as I remember cerebral violence of my livest

Sicilian sniper, the karma starin' in his iris

His slanted eye and higness was a warrior like Cirus

Through pokin' his sinus that made him mindless

Now blindness he's livin' in

He started pushin' in pussy that's lethal

A chick that's stickin' in infected needles

And she tryna boast, he had an overdose he's comatose

Bitch stuck a fist in his throat that made him choke

Almost to late but he lived to regurgitate the weight

I got a call at eight, a.m. tellin' me to meet him

In front of the mansion where we standin' lightin' a cannon

In the Pele pel, he took a puff and told a tale

But I was weak in the knees, traded his gold medallion

Just to ride inside the saddle of cocaine the white stallion

Pull out the car keys, pop in a CD, and pulled a U-wee

We peelin' out to meet the rest of the crew

Out in a Montera sky blue fat body razy ridin' shotty

Drinkin' knotty headed for a college party

We puffin' skunk gettin' drunk while the beats bump

Then peeped a cracked out bitch lampin' wid her eyes sunk

Up in the sockets, winkin' at the snitch shook her tits

Took a grip on his collar, and bit him like a rottweiler

Rolled up a hundred dollar, and then devoured white powder

Tension's holdin' tight up on his amaretto sour

He's shakin' like a coward over flour
He broke down, makin' the sniffin' coke
