I've wasted so much time
I've wasted so much dough
Well, I've burned so many bridges
Tell me something I don't know
But if I can make a livin'
Off playing Rock n' Roll,
I'll give my blood and sweat and tears,
But I'll never sell my soul
Never wanted to burn out
Don't wanna fade away
Gonna go out in a blaze of glory
Blastin' away!
Who the fuck am I to judge
Well, I see your face to punch
I'm gonna put you in your place
And then I'll pogo on your face
Well, if the beat is on the brat..
Let me get my baseball bat
You can take your fucked up politics..
And some em' up your ass!
