The punx go marching one by one HOORAH, HOORAH!
The skins go marching one by one HOORAH, HOORAH!
When the Punx and Skins and Hooligans have unity
the'll always win, a force to be reckoned with, and we'll
all go marching home! Our youth brigade is tried and
true HOORAH, HOORAH! when times are tuff we're
coming thru HOORAH, HOORAH! We're standing up
when life is ruff, we're nation wide we can't be stopped,
society's threat, we've had enough, and we'll all go
marching home! We stand together proud and strong
HOORAH, HOORAH! Our fight for rights, the road is
long HOORAH, HOORAH! If the Punx and Skins and
Hooligans have unity the'll always win, a force to be
reckoned with, and we'll all go marching home!
