Don't look at me, with those eyes, not till, I can
stabilize,
Don't hint, your in my life, I don't need, that kinda
strife,
I don't know how to feel. I don't know, what to think.

You show up, at the worst times. You say hello, like it's
a crime.
Your blockade, of my heart, blockade, of my love.
I don't know, what's a crush? It's a sudden rush of
blood, when I look at you...

I know
It's just a word
I know
It can only be heard
But In-tim-idation
In-tim-idation
It can't be lured away from my heart
In-tim-idated by you.

You think, of me, as a door mat
The irony, is, I think of you
Like I should be shining your shoes

What's a crush? compared to love?
Someone tell me, why do we lose,
All our wits over one person in life... ?

I know,
It's just a word
I know
It can only be heard
But In-tim-idation
In-tim-idation
Can't be lured
Away from my heart
In-tim-idated by you.

It's torture...
(Torture)
It's painful...

(Painful)
Knowing you. Seeing you...
Being In-timidated by you

What's wrong with Me?
I'll tell you what...
I'm In-tim-idated by you.
(Who?)
I'm In-tim-idated by you
(Who?)
I'm In-tim-idated by you.
In-tim-idated by you...
By, by, by, you...
