Talk about your magic wands  
Dahlias bloom inside your palms  
Pink and gold

Tweed  
Loveliness is what you bleed  
Tenderness is what you need and sold

Beauty deluxe  
All genuflections no invitations

Detective vacation  
Solving pillow cases the criminals of love  
Sweet interrogation

Privileged well beyond your means  
Perfect powered dreams your show goes on

Try to separate the scent  
Dreaming you were president of gorgeous  
Captain luscious

Beauty deluxe  
No imperfections, no hesitations  
Look through the keyhole it's over

Detective vacation  
Solving pillow cases the criminals of love  
Respect termination  
Turning up the fire but keeping the heat on low

Beauty deluxe  
Star mapping genius needs no direction  
Look through the keyhole it's over

Detective vacation
