look right into my eyes  
tell me that you ain't lie  
don't try apologizin'  
the way you dipped and tried to jump back in  
no this is the end  
cant blame no body else  
i saw it for myself  
talkin bout a truth or dare  
i can even tell you when and where  
so save your breath dont pretend you somethin else  
i promise you theres nothin left

chorus:

boyfriend,  
can you believe im not your girlfriend no more  
i cant believe i saw you standin at the door  
huggin another girl  
i thought i was your girl  
its cool cuz you wont be my boyfriend no more  
boyfriend,  
how could you do me like a fashion trend  
i though what we had would never end  
and now im a free agent again  
its cool cuz you wont be my boyfriend no more

its up on myspace  
the way you held her waist  
dont try to say shes just a friend  
or maybe you sister or you kin  
here we go again  
you text her back and forth  
you didnt reply to mine  
i saw her pictures in your phone  
i was wastin my time  
im through with stress  
im over you  
you had the best  
and now i must confess

chorus:

boyfriend,

can you believe im not your girlfriend no more  
i cant believe i saw you standin at the door  
huggin another girl  
i thought i was your girl  
its cool cuz you wont be my boyfriend no more  
boyfriend,  
how could you do me like a fashion trend  
i though what we had would never end  
and now im a free agent again  
its coo cuz you wont be my boyfriend no more  
yes i saw the pictures on your page  
yes i felt like i was gettin played  
its a shame how i caught you on this myspace  
but you dont ever see me with no other guys  
you must be outta yo mind  
you were wastin my time  
i think its time you left  
so save your breath  
the door is to your left  
its the end that your not my boyfriend  
adios bye bye friend  
adios bye bye friend

chorus:

boyfriend,  
can you believe im not your girlfriend no more  
i cant believe i saw you standin at the door  
huggin another girl  
i thought i was your girl  
its cool cuz you wont be my boyfriend no more  
boyfriend,  
how could you do me like a fashion trend  
i though what we had would never end  
and now im a free agent again  
its coo cuz you wont be my boyfriend no more
