Gimme all your honey love

I wanna sting and I just can't stop

Gimme all your honey love

I wanna shake up every drop

Honey, honey, honey, gimme all your honey love

Honey, honey, honey, gimme all your honey love

Well I feel like a busy bee

A-buzzin' all around your hive

(If you) gimme just one sweet kiss

Your love makes me come alive

C'mon honey don't fly away

I need to buss with you every day

[Chorus]

A-well I see 'em all buzzin' around

Makin' bug eyes at you

They don't know you're my queen bee, ba

They won't sting you like I do

Buzz baby, make up your mind

Don't pretend to be innocent kind

Ooh, sweeter than a honey bee

Ooh, baby, don't you wanna buzz with me?

Honey, won't you buzz with me?

Honey, honey, honey, gimme all your honey love

Honey, honey, honey, gimme all your honey love

Ooh, baby, gimme all your honey love
