I've been searching for so long  
Something I couldn't find  
Choices I made were so wrong  
Until you came into my life

No matter who I held  
There was an emptiness there  
Now I know God heard my prayers

When you say my name  
It's like hearing angels sing  
When I feel your touch  
It sets my spirit free

When you're in my arms  
The world seems so far away  
Oh, I believe you've taken me  
To a place, closer to heaven

Baby, when I see you smile  
I forget the tears I've cried  
Everything I've ever lost  
I've found in your eyes

You give your heart  
With no conditions  
And you take love to another dimension

When you say my name  
It's like hearing angels sing  
When I feel your touch  
It sets my spirit free

When you're in my arms  
The world seems so far away  
Oh, I believe you've taken me  
To a place, closer to heaven

When you say my name  
It's like hearing angels sing  
When I feel your touch  
It sets my spirit free

When you're in my arms  
The world seems so far away  
Oh, I believe you've taken me  
To a place, closer to heaven  
Closer to heaven

It's like hearing angels sing  
When you take me closer to  
Closer to heaven  
Closer to heaven  
Closer to heaven  
Closer to heaven
