(Dean McTaggart/David Tyson/Amanda Marshall)

Indian summer  
Abilene  
You were new in town  
I was nineteen  
And sparks flew

They called us crazy  
Behind our backs  
"Romantic fools"  
We just let them laugh  
Because we knew

It may be a long shot  
We may be lonely down the line  
But love knows no reason  
And I won't let them make up my mind

My love is riding on this dark horse baby  
My heart is saying it's the lucky one  
And it's true color's gonna shine through someday  
If we let this, let this dark horse run

Stars are brighter  
In the desert sky  
No need to wonder or justify  
Where this will lead

I wear your locket  
Our picture's inside  
Inscription says "The joy's in the ride"  
And I believe

Something so sacred  
Is something worth this kind of fight  
'Cause love knows no patience  
You can't please everyone all the time

My love is riding on this dark horse baby  
My heart is saying it's the lucky one  
And it's true color's gonna shine through someday

If we let this, let this dark horse run

My love is riding on this dark horse baby  
My heart is saying it's the lucky one  
And it's true color's gonna shine through someday  
If we let this, let this dark horse

My love is riding on this dark horse baby  
My heart is saying it's the lucky one  
And it's true color's gonna shine through someday  
If we let this, let this dark horse run

Indian summer  
Abilene  
You were new in town  
I was nineteen
