(Roberta Schiller)

Here I am alone again
Talking to the walls
You come home looking guilty
Said you really meant to call
But after all the times you've said it
You'd think by now this girl would get it

Well, I do, but I don't want to live like this
'Cause I do doesn't mean
What I thought it did
Where were you when we promised
We'd always be true
I guess that you just don't remember
But I do

Here you are again tonight
Roses in your hand
Telling me your story
Hoping I will understand
And after all the hurt I've been through
You're asking me if I still love you

Well, I do, but I don't want to live like this
'Cause I do doesn't mean
What I thought it did
Where were you when we promised
We'd always be true
I guess that you just don't remember
But I do

The last time you told me
You thought we were through
I guess that you just didn't mean it
But I do
