Little trailer
Newlyweds
Coffee table
And a double bed
No money
Nowhere to go
They dance for hours
To the radio

That's what I call love
Two hearts bound together
What all the world dreams of
The kind that lasts forever
That's what I call love

Old woman
Old man
On the front porch
Holding hands
Stars shining
In their eyes
It's like they're falling
For the first time

That's what I call love
Two hearts bound together
What all the world dreams of
The kind that lasts forever
That's what I call love

When it comes to you and me
That's the way it's meant to be
Darling, I just know someday
Everybody's gonna look at us and say

That's what I call love
Two hearts bound together
What all the world dreams of
The kind that lasts forever
That's what I call love

That's what I call love
Two hearts bound together
What all the world dreams of
The kind that lasts forever
That's what I call love
