Troublemaker
Trouble me no more
Troublmaker
Leave your blues outside my door

If I was gonna be the devil
I'd have your eyes
Who'd ever suspect such a sweet disguise
Don't look at me that way
It's temptin'
But I won't be led astray

Troublemaker
Trouble me no more
Troublmaker
Leave your blues outside my door

Been workin' on my weakness
Wearing me down
There on every corner that I come around
Making a game of sin
Cheating
Anything to win

Troublemaker
Trouble me no more
Troublmaker
Leave your blues outside my door

Gonna blow out the lantern
Draw the shades
Forget all about the offer you made
And the way you make me feel
I smell trouble
I know your love ain't real

Troublemaker
Trouble me no more
Troublmaker
Leave your blues outside my door

Troublemaker
Leave your blues outside my door
