* an Islander, an islander, Right to my very bones. I
prefer an island world

i Live on an island home, i (24) Live on an island (44)
Home.

* an Island could be paradise, Filled with mystery

an Island could be lapped by lakes, or Shrouded by the
sea.

for some it's the motion, the Ocean shifts and
breathes,

a Lake can be a blessing and the Ocean sets you free.

* an Islander, an islander, Right to my very bones. I
prefer an island world

i Live on an island home, i (24) Live on an island (44)
Home.

* Some folks love the city, they Thrive on the energy.

Some folks like the flat lands, big Sky and wide prairie.

for some it's the moUntains, but when you Move on
towards the sea,

you're getting to mE, i'm an islander and that's Where i
long to be.

* an Islander, an islander, Right to my very bones. I
prefer an island world

i Live on an island home, i (24) Live on an island (44)
Home.

* they Say that on the mainland, folks Talk about being
bored.

but Islanders still don't know the meAning of the word.

* an Islander, an islander, Right to my very bones. I
prefer an island world

and I prefer my island girl. I'm the oyster, she's the
pearl

we Live on an island home, we Live on an island Home
