Back on the road in the Ford hotel. some stories ain't Fit to tell.

we're the Boys of rhythm, Trying to make a living on an Old flat top.

Kicking up dust on the Old brown earth. Stick around us and get your Money's worth.

we're the Boys of rhythm, Trying to make a living on an Old flat top.

could be Fishing not where i'm At. staying Home with a dog and a Cat.

could be Sitting on the island, Looking at the view, but i'd Rather be here with You.

We gotta Move, we can't Hang around. another show in aNother town

we're the Boys of rhythm, Trying to make a living on an Old flat top.

Back on the road in the Ford hotel. some stories ain't Fit to tell.

we're the Boys of rhythm, Trying to make a living on an Old flat top.

we're the Boys of rhythm, Trying to make a living on an Old flat top.
