Daddy's coming home tonight from Three weeks on the road.

Sure has come to miss you kids, More than you might know.

it's hard some times to slow down, after Moving every day.

but Don't you worry daddy's okAy

he may Stammer and may stutter, he may Jumble up the facts.

but coming Home from the fast lane is a Whole new ball of wax.

Next town next day, Fly, eat, snooze, play,

Don't you worry daddy's okAy.

he's just a little bit Wired, he's just a little bit Tired.

he's simply over inSpired, but hey dOn't you worry, daddy's okAy.

he may Seem a little stranger than the Day he disappeared.

but if the Road was a bed of roses, there'd be Lots more of us here.

Know he loves you all a lot, though at Times it seems like he forgot,

Don't you worry daddy's okAy.

so Try and take it easy on him, Try and be a friend.

if you Whine and clutch and fight too much, it'll Drive him 'round the bend.

Don't go fussing, thinking something's Plugged in the wrong way.

Don't you worry daddy's okAy.

he's just a little bit Wired, he's just a little bit Tired.

he's simply over inSpired, but hey dOn't you worry daddy's okAy.

he's come a little unDone, he's just a little less Young.

but he's still having his Fun, so hey don't you worry, daddy's okAy.
