* the Wright brothers knew, that In their own time,

they would Take to the skies, on wide Wings they would climb.

there were Those that said "no, this could Never be."

but those Dreamers took flight , back in (98) Nineteen-oh-three, they had

* (68) Stars, stars, Stars in their eyes, an Endless horizon, a Miracle prize,

they had Stars, stars, Stars in their eyes, and they

Would not take no, for an (98) Answer.

* (68) Old mother jones, pure Union was she, they

Tossed her in jail , back in Nineteen
