Konjiki yami no fukaki kono basho de
Subete wasurete odorou ka?
Everything going throw away
Kono yo o kami ga terasu made

Gin iro tsuki no nemuru kono basho de

Everything going throw away
Kono yo o kami ga terasu made

Kasanaru kodou ni itsushika izana ware
Sashidasu sono te ni risei wa kiete iku

Itami no nai yasuragi kara subete wa sou yume ni naru
Play back all night, play back all night, play back all

Sashidasu sono te ni risei wa kiete iku

Itami no nai yasuragi kara subete wa sou yume ni naru
Dancing all night, dancing all night, dancing all night
