I need that, I need that {Vixen}.

I need that, I need that {Vixen}.

I need that.

Have me feelin proper, fuck me real proper. Have me
screamin poppa,
like I'm singin opera.

Nuff said, I don't need no fuckin intro. Cause what I
gotta say, I spit
that shit straight mando.

Them niggas scream my name everytime I come
around and he all up
in my tummy strait tryna put it down.

He did his thang, yeah, I had to admit. But his head
game was wack.

Point blank period.

So I sighed & became a lil furious

{Baby did you nut?} Mah nigga is you serious?!?

Now on to the next nigga and, and, and his dick bigga.

But his

homeboy a bigga figga. But I can't see myself with him.

But that's a different story and I got you chickens mad
cause ya'll

boyfriend adore me. Yeah ya'll boyfriend adore me. If I
say my aim

name I bet you he'll store me.

[Chorus: x2]

I need that, I need that

I need that, I need that

Have me feelin proper, fuck me real proper. Have me
screamin poppa,
like I'm singin opera.

I need a nigga who can beat it up. Straight mistreat it
up. Tongue in

and eat it up. Dumb scums, fuck em up. My legs, lift em
up. No talking,

hard pumps. I'm talkin dumb strokes. Somebody rock
my boat.

I need a nigga with a appetite. Fuck me raw, and nasty

tryna be ya wife. Just tryna fuck you right. Teach a few
pointers have a
bitch dumb hooked like get all in my tummy. On yo dick

Keep me cumming. Beat it up. No dummin. Take dick.
Start runnin on
tha dick, I go nutty. I admit. I am slutty, bossy pussy.
Girl runnin, ass

Learn how to beat it up. Learn how to eat it up. Learn

up. Learn how to speed it up. Before you try and get a
nut. All in my
nigga. If I sound like a slut. So muthafuckin what.

[Chorus x2]

Have me feelin proper, fuck me real proper. Have me
