I need that, I need that {Vixen}.

I need that, I need that {Vixen}.

I need that.

Have me feelin real proper, fuck me real proper. Have me screamin poppa, like I'm singin opera.

Nuff said, I don't need no fuckin intro. Cause what I gotta say, I spit that shit strait mano.

Them niggas scream my name everytime I come around and he all up in my tummy strait tryna put it down.

He did his thang, yeah, I had to admit. But his head game was wack. Point blank period.

So I saged & became a lil furious

Baby did you nut. mah nigga is you serious!

Now on to the next nigga & & and his dick bigga. But his homeboy a bigga figga. But I can't see myself with him.

But that's a different story. I got you chickens mad cause yo boyfriend adore me. Yeah yo boyfriend adore me. If I say my aim name I bet you he'll store me.

[Chorus: x2]

I need that, I need that

I need a nigga who could beat it up. Strait miss treat it up. Tounge in and eat it up. Dumb scums, fuck em up. My legs, lift em up. No talking, hard pumps. I'm talkin dumb strokes. Somebody rock my boat.

I need a nigga with a appetite. Fuck me raw, a nasty type. I'm not tryna be ya wife. Just tryna fuck you right. Teach a few pointers have a bitch dumb hooked like get all in my tummy. On yo dick I go nutty all night.

Keep me cumming. Beat it up. No dummin. Take dick. Star trunnin on the dick. I go nutty. I admit. I am slutty. Boss pussy. Girl runnin, Ass jump like a bunny. Slow

and sticky like honey.

Learn how to beat it up. Learn how to eat it up. Learn how to heat it up. Learn how to speed it up. Before you try to get a nut. All up in my nigga. If I sound like a slut. So muthafuckin what.

[Chorus x2]
