I'm so confused
I can't set straight
What's in my head

It's seems that instinct
Just compounds my sense of dread
With what I've learned
And all I trust conflicting
With all the strength
That I can find within me

I'm thinkin' outta my heart
When I should think with my head
Oh just walk away from me
It's just a matter of time
Before there's hurt left instead
Oh just walk away from me

I'd trade my place
For what could seem an empty head
More clear than mine would ever be
I hope before it's all been said
I'll feel released

With all the strength
That I can find within me

With what I've learned
And all I trust conflicting

CHORUS 2x

I tried but true to style I'm frightened
And all the while and when I feel that it's time
To quit to just give into it

CHORUS

I'm thinkin' outta my heart
Not with my head
So just walk away from me

It's just a matter of time
Before there's hurt left instead
So just walk away from me

Outta my heart
Not with my head
Oh just walk away from me
