One blow of those devastators winds  
Has been enough to destroy the whole of god's work  
Six days of toil reduced to ashes  
No rest for your pitiful disciples

They try to rebuild your great house  
But they do it in vain  
There will be no reward  
Back to their strain...

Desperation and sarcasm besiege the believers  
Breeding infidelity within the ranks of the higher

Humiliated men of god, servants of deception  
No longer follow the path to the deceiving religion  
Their eyes turn away from heaven's grace  
Their mouths smell the bitter aftertaste of the Celestial  
Jerusalem

They 'll betray you like Judas will betray your son...

While gnashing gates of the great whore Babylon are  
opening  
Lost souls are crawling in the river of petrified corpses  
Driven to that place of deprivation and blasphemy  
Driven to that treacherous trap of sufferings and  
unspeakable pain

Flimsy architectures collapsing  
Blown up and set on fire like straw  
Heaven's vault blasting rings the sound of chaos  
Smokes from the burning churches embrace the  
defeated paradise

Hear the cry from the future crucified called Jesus  
He of the pretended lord  
He of the bitch called Mary  
Profanatory forces are now released...

Human spine will bend till it give way  
Like the ground will give way beneath their feet  
Plaintiffs whispers creeps under the closed doors

This Petrifying grimly whistle penetrates the homes to  
take you

You'll be whiplashed and floored  
By the putrid breath of the reaper  
Governed under the cover of his darkened wings

By Immortal powers of hell  
Will born the answer...  
Will born the chosen one...  
Will born the Fame of the Antichrist
