Till the moon deserts the sky  
Till the all the seas run dry  
Till then I'll worship you

Till the tropic sun turns cold  
Till this young world grows old  
My darling, I'll adore you

You are my reason to live  
All I own I would give  
Just to have you adore me, oh, oh, oh

Till the rivers flow upstream  
Till lovers cease to dream  
Till then I'm yours, be mine

instrumental interlude

You are my reason to live  
All I own I would give  
Just to have you adore me

Till the rivers flow upstream  
Till lovers cease to dream  
Till then I'm yours, be mine
