Every time we meet, everything is sweet  
Oh, you're so tender, I must surrender  
My love is your love, now and forever

### CHORUS

You're the one that I long to kiss  
Baby, you're the one that I really miss (yeah, yeah,  
yeah)  
You're the one that I'm dreamin' of  
Baby, you're the one that I love

Keep me in your heart, never let us part  
Ooh, never leave me, please don't deceive me  
I want you only, you must believe me

### CHORUS

### BRIDGE

I adore you and no one before you could make me feel  
this way, yay  
Since I met you I just can't forget you, I love you more  
each day  
(Yeah, yeah, yeah, yeah)

brief instrumental with scat "you're the one" and "yea,  
yea", etc.

There may be some tears through the comin' years  
Ooh, all the while I know you'll be smilin'  
Your love will guide me through ev'ry mile 'cause

CHORUS X 2 with FADE in middle of the second
