Every time we meet
Everything is sweet
Ooh, you're so tender
I must surrender
My love is your love
Now and forever

You're the one that I long to kiss
Baby, you're the one that I really miss
You're the one that I'm dreaming of
Baby, you're the one that I love

Keep me in your heart
Never let us part
Ooh, never leave me
Please don't deceive me
I want you only
You must believe me

You're the one that I long to kiss.
Baby, you're the one that I really miss.
You're the one that I'm dreaming of
Baby, you're the one that I love.

I adore you
And no one before you
Could make me feel this way
Since I met you
I just can't forget you
I love you more each day

Yeah Yeah Yeah Yeah

There may be some tears
Through the coming years
Ooh, all the while
I know you'll be smilin'
You love will guide me
Though every mile 'cause

You're the one that I long to kiss
Baby, you're the one that I really miss

You're the one that I'm dreaming of
Baby, you're the one that I love
(repeat to fade)
