"Dance With Me"

I was down that night
When you switched the light off my life, oh yeah
I called all my friends
To celebrate the sense of this turn, oh baby
You are close to me
I feel close to you
But I am what I want me to be
Come and dance with me
Feel my heart is free
And now stand by my side
You wanna dance with me.....
Now the time has come
I'm not on the run I feel good, oh yeah
Everywhere I go I feel the light
You turned off inside, oh baby
You are close to me
I feel close to you
But I am what I want me to be
Come and dance with me
Feel my heart is free
And now stand by my side
