(R. Irving, D. Pickell)

I used to be so restless

Always looking for the perfect romance

Just going 'round in circles

Caught up in the dance

The you came out of nowhere

And showed me what a real love can be

Touched me so tenderly

Now there's no doubt in my mind

Chorus:

So I'll let the rest of the world

Go searchin' for something new

While I spend the rest of my life

Falling in love with you

All day long I'm dreamin'

And people say "what's happened to you?"

"Tell me what's your secret?"

I smile and say "Nothin's new"

How could I explain it

The way you've got my heart spinning 'round

Must be heaven I found

When I look into your eyes

Chorus

With you love's a magical thing

Every day holds the promise of spring

And I know I've never felt this before

Now I wanna be yours

Forever more
