Ooooooooooh

Chorus:

It's just my luck

She's got someone else in mind

It's just my luck

It happens all the time

Does it really have to be this way for me?

Hell Yeah! 'Cause it's just my luck

I was dancin' to my favourite song

When I saw her lookin' at me

She was hot, she was fine

Nearly blew my mind

When she said "come dance with me"

After the song was over

I walked her to the bar

I wanted to lean in and kiss her

But then she said "I'd like to introduce you to my
boyfriend"

Chorus

I was walkin' down the street one day

When two girls were smiling at me

They were hot, they were fine

I thought two at a time

What a perfect fantasy

Just as I offered my number

They turned and laughed at me

Then they walk away hand in hand

Kissin' each other passionately

Chorus

Oooooooooohh

I thought I met the girl of my dreams

The perfect picture from a magazine

She was hot, she was fine

Didn't waste any time

When she said "you're place or mine?"

I'm thinking my problem is over

She's turning the lights down low

Just when things were starting to go my way

All night long she kept calling someone else's name

"Oh Rico!"
"Ah damn!"
Chorus
