(C. DeViller, S. Hosein, D. Pickell)

It's my nature
To want you
Baby what can I do?
I'm falling for you
Must be my nature
To want you
Could've searched forever girl
And never realized
That I could feel this way
When I look in your eyes
Now I got you all alone
I think the moment's right
I'll do what it takes
To make you mine tonight
'Cause a man needs a woman
And a woman needs a man
And that's the way it's always been
Since time began
Well all need lovin'
Like flowers need the rain
Come a little closer girl
I just can't wait
Chorus:
'Cause it's my nature
To want you

Baby what can I do?
I'm falling for you
Must be my nature
To want you
Tell me what can I say?
Don't turn this heart away
It's just my nature
Every time I'm next to you
I feel weak inside
Never been this way before
Oooh girl you're drivin' me wild
You're the only one I've found
Could make me loose control
Gonna fill you up
You know I want you so

Now a man needs a woman
And a woman needs a man
Come a little closer
You've got to understand
Chorus
Can't help the way I feel about you
Oooohh, I can't help but love you
I know I need your love to see me through
