(L. Marcus)

Do you like to party?

(We like to party! We like to party!)

Oooooohh, the party don't stop

Chorus:

The party don't stop

It just keeps goin' on

The party don't stop

It just keeps goin' on

Well, it's Friday night and so

Dancin' all night long at the party

I call up my crew

So we can rendez-vous at the party

See the place is packed with honey's 'round

Everybody's throwing down at the party

So grab a girl, make a move

Let her put you in the mood

'Cause the party don't stop

Chorus

Don't you know?

We rollin' T.O.

'Cause this is where it's at

'Cause the party nice and phat

The ladies here they look so fine

I like it like that

Come here lady?

We're gonna be the ones

To try to drive you crazy

See it's all about a party now

Come on let us show you how

'Cause the party don't stop

Chorus

(Somebody say)

Oh woh, oh woh, oh

(V.I.P sing)

Oh woh, oh woh, oh

(Come on, Come on)

Oh woh, oh woh, oh

(One more time now)

Oh woh, oh woh, oh

Do you like to party?

Chorus  
Do you like to party?  
Do you like to rock?  
'Cause when we party  
The party don't stop  
And when it's time to turn it out  
V.I.P. won't quit  
And when we do the thing we do  
You know the party's it  
Don't you know, it don't stop, it don't stop  
No, No, it won't, it won't stop  
There's one thing that I know  
This jam is good to go  
At the break of dawn the club's still hot  
'Cause the party don't stop, the party don't stop  
Chorus
