Yeah I wake up somewhere outside
Buzzing from a situation
That's the upside of my new life
Everyday sees motivation
Dance, now dance
Come on, dance
Now dance

Yesterday was so much uptight
It made me thinking of the ladies
Stayed in bed
Avoid the fast life
Addiction causing situations
It is mainly now I'm uptight
That I'm thinking of you baby
Stay in bed
Avoid the fast life

Dance, the words, the smiles and the kiss
Did you feel crazy like this?
Now dance, the words, the smiles and the hiss
Did you feel crazy?
C-c-c-c-crazy now
Bass

Dance, the words, the smiles and the kiss
You never felt crazy like this
Now dance, the pace, the legs and the hiss
Did you feel crazy?
Crazy, c-c-crazy now

I am moving on the upside
And kiss a certain situation
It is mainly now I'm uptight
Can we skip the conversation?
In the deadlock that we're facing
I am thinking of you baby
Stay in bed until the buzz goes

Dance, Words, Smiles, Kiss
Dance, Pace, Legs, Hiss

And I wake up somewhere outside
Buzzing from a situation
That's the upside of my new life
Everyday sees motivation
It is mainly now I'm uptight
That I'm thinking of you baby

Let's move out and hit the fast life!
