Come on!

Alright
Everyone is in
Everyone is cynical
Everyone a kiss
I need something chemical
Everyone a kid
Everyone is manic
And everyone I see
I'm on something chemical

She says
I need to know
Because somewhere is my lawn
Where I will find some rest
Well somewhere is my-

Everyone is in
Everyone is cynical
Everyone a kiss
I need something chemical
Everyone a kid
Everyone is manic
And everyone I see
We are on a chemical push!

We are on a chemical push!

We are on a chemical push!

We are on a chemical push!

Because summer is the summer is the thing
We are on a chemical push
Everyone, everyone is cynical
Everyone, I need something chemical
Everyone, everyone is manic
And everyone
We are on chemical push!
Everyone, everyone is cynical

Everyone, I need something chemical
Everyone, everyone is manic
And everyone
We are on chemical push!
