V1) Don't break me
I don't know how to do this
And I'm not Job
I'm not as strong as he is.
Don't lose faith
I tell myself to find you
Are you there?
Were you with me last night?

Prech) Whispers in the dark
They tell me that you're with me.
But everyday, something else is
Keeping me away
From remembering you
I'm not perfect... not perfect.

Ch) The sooner that you know
The better you can see Him in front of you
The sooner that you know
The sooner that you know you'll find truth
And the sooner that you know
The fewer hearts that will be broken
Forever... forever.

V2) Don't forget me
Unanswered prayers they make me scared
Cause I don't know
If I'll be strong tomorrow
You tell me
Ask and I will provide for you
But I don't know
How you'll answer tonight.

Outro) Don't break me
I don't know how to do this
Don't lose faith
I tell myself to find you
Don't forget me
Unanswered prayers they make me scared
You'll find me... you'll find me---
