[Chorus:]

Ohh it feels so good to me
It feels like extasy
when your laying here next to me
It feels so right to me
you gave new life to me
It feels so good to me
I want you to know
I love you boy

[Milano:]

(check this out ma)
The first time I saw you
I knew I had to have ya
I wanted to kiss you baby
I also wanted to grab ya
I want to get to know ya some things
I'll like to show ya you look smart (so game)
I'm about to throw ya
and before we be together
lets get our mind together
and before we sleep together
lets spend some time together
you and your (other marriage) not in a million (lathers)
you got that natural beauty but still that model status
I'm attracted to your mind I like your conversation
you want to know about me not about my occupation
your not the club type not on the (lime like)
you go to school read your books you got your mind
right
you got that inner beauty I see your inner glow
and so I took a couple minutes just to let you know
about the way i feel cuz what we got is real
now represent for me mommy let them know the deal

[Chorus:]

Ohh it feels so good to me
It feels like extasy
when your laying here next to me
It feels so right to me
You gave new life to me
It feels so good to me

I want you to know
I love you boy

[Girl:]

From the moment that I saw your face boy
I knew that it was my faith boy
I knew that everything be right cuz it felt like love at
first sight

and all these wanna be players tyin' to get with me
but it doesn't mean s**t to me cuz I know what we got
is right
I think that I'm everything that he put you in my life

[Chorus:]

Ohh it feels so good to me
It feels like ecstasy
when your laying here next to me
It feels so right to me
You gave new life to me
It feels so good to me
I want you to know
I love you boy

[Milano:]

Yea mommy your da one I got to lock it down
and anything you ever wanted yea you got it now
and girl are gonna stare when you walk cuz your
(prada) down
the 430 (hook) top down you got to clown
the blue diamonds you shining carrots all around
on vacations head Paris flew all around
and girls are gonna ask if your single
yea it's apparent now a son and daughter
gotta a family yea were parents now
and all your guards all your shoes I had to tear down
a night on the town ain't no park or horse carriage now
the brides of maids throwing rice theirs a marriage
now
I'm being faithful only one love I cherish now
a good thing came into my life I inherit now
and for me to lose you I couldn't bear it now
because baby I love you like a rock
my lovin is solid mommy and it ain't gonna stop
(sing it)

[Chorus:]

Ohh it feels so good to me
It feels like ecstasy
when your laying here next to me
It feels so right to me

You gave new life to me
It feels so good to me
I want you to know
I love you boy
