You got to feel free again
You got to feel free again

Clipe ce-n zÄfdar nu o säf stea
Sunt stele ce apun in palma ta
Nu pot säf te-opreasca ... yeey
Sa trÄfieÄŸti aÄŸa cum vrei

Spune-mi Ä@n ce ma laÄŸi säf cred
Spune-mi cÄf m'am nÄfscut säf pierd
Spune-mi cÄf n'am voie sa'ncerc
F-U-C-K U!

Tell me the rain will always fall
And I am just allowed to crawl
Tell me the sun is not for us all
F-U-C-K U!

Spune-mi ce ar trebui säf fac
Spune-mi ce haine sa Ä@mbrac
Spune-mi ca am voie säf tac
F-U-C-K U!

Tell me the sky is always grey
Tell me this dream is not ok
But I will fly around, away
I'll be free again

Refren

I wanna, I wanna be free
Free from the world that you see
I wanna, I wanna be free (be free)
Taking what life has for me
You'll be free
Say: You got to be free
You'll be free....oh, oh, oh

Spune-mi pe ce drum sa paÅŸesc
Spune-mi pe cine sÄƒf iubesc
Spune-mi ca nu pot sÄƒf greÅŸesc
F-U-C-K U!

Tell me that I don't understand
Who can I choose to be my friend
Tell me the life is to pretend
F-U-C-K U!

Spune-mi cÄƒf stelele's prea sus
Spune-mi cÄƒf orice vis e'n plus
Spune-mi cÄƒf n'am nimic de spus
F-U-C-K U!

Tell me it's better to play dumb
Tell me the dawn will never come
But I don't care, I'll steal the sun
I'll be free again

Refren

I wanna, I wanna be free
Free from the world that you see
I wanna, I wanna be free (be free)
Taking what life has for me
You'll be free
Say: you got to be free
You'll be free....oh, oh, oh

Free from the world that you see

I wanna, I wanna be free
Free from the world that you see
I wanna, I wanna be free (you'll be free)
Taking what life has for me

I wanna, I wanna be free (you'll be free)
Say: you got to be free
I wanna, I wanna be free (you'll be free)
Taking what life has for me
