Refren(x2):

Oo-oo-oo-oooo, si ce daca pana acum n-am prea avut noroc ?  
Oo-oo-oo-oooo, se intoarce roata si intr-o zi am sa ma scot.

I:

I can swear that this is a random story  
Since you find out what money is  
Day to day, you run to reach its (money's) path  
You don't find it & the year passes by

II:

Always believe in yourself  
& don't look back\*  
Tire out the microphone\*  
So that I leave only them\*

Refren(x2):..

III:

I can swear that I tell you that if you don't have money  
You'll have a part of love  
That you'll have some hundred years  
But you wait for it (money?) & it doesn't come
