Exhumed suppartated cankerous vomit seeps from your  
cancerous carcass Excoriating ulcerated manifesting  
cadaver emanation of  
Sludge and gore Excoriating karrionic cankerous  
emanation of sludge and ulcerated flesh Squeaming  
repulsive flesh eating  
Maggots feasting on your feeble remains The stench of  
vile, puss and human vomit. The remnance of carnal  
sin Let God be the  
Surgeon to remove all the miligant bile And cut out all  
the cancerous puss that paralyzes you inside Decrepit  
cranial  
Chomerous inner organs from the cancer eating your  
body Excorating karrionic cankerous emanation of  
sludge and ulcerated  
Flesh Putrefaction of nurtronic nerves to the brain and  
necrosis to your internal organs Fermenting  
mucopurulent discharging  
Bile, Disembourment of putrid remains.
