Take it back, take it all back
I just want my money back, here we go!
Took it all, took it all off
Took her bleeding trousers off and I know

Well darling you've made me smile
Even though it's been a while
You always know just how to sway
Well darling now it's getting late
Although the boys appreciate
It doesn't mean that it's ok
It's not ok!

Watch your move, watch your bloody move
You can see him dancing on the kitchen floor
Stop the show, cause we got to go
No we really have to go, can't take no more

Well darling you've made me smile
Even though it's been a while
You always know just how to sway
Well darling now it's getting late
Although the boys appreciate
It doesn't mean that it's ok
It's not ok!
