Always one to cause a fuss  
Never one to beat her bout the bush  
Shes not that way inclined  
So her had gets mad and shouts and says that shes  
not going out until she puts some clothes on  
Cos Thats not the only way to a mans heart  
Sit her down and you would not know where to start  
Theres more than one way to a mans heart  
But Thats Something that shell never know

Short skirt - blonde hair hair  
men are bound to stare  
men are bound to litterally be  
hanging onto every wods that she says  
listen and obey  
wont you listen and obey

but she needent make a sound  
or say gather round  
queing up to have a go or have a ....

someone takes it too far  
and that where the troube starts  
and all because one girl wanted attention much

Cos Thats not the only way to a mans heart  
Sit her down and you would not know where to start  
Theres more than one way to a mans heart  
But Thats Something that shell never know

she needent spend a penny,  
she needent spend a pound  
cos while shes sitting pretty  
the drinks are on the house  
but this beats confrontation  
jelousy and lust  
although she craves attention  
this is far too much]

She wants to, be a heart breaker  
She wants to, play with fire  
Do you think, she'll ever leardn though

not untill her fingers get burned

BUT Thats not the only way to a mans heart  
Sit her down and you would not know where to start  
Theres more than one way to a mans heart  
But Thats Something that shell never know  
Thats Something that shell never know  
Thats not the only way to a mans heart  
Thats not the only way to a mans heart  
Thats not the only way to a mans heart  
Thats not the only way to a mans heart  
Thats not the only way to a mans heart  
Thats not the only way to a mans heart
