

Vomitory "Defiled And Inferior"

Visit "[Defiled And Inferior](#)" on MotoLyrics.com

Raze the land
Bloodlines erased
Zero worth
Existence denied

Incinerating vengeance
War to end all wars
Defiled and inferior
Now ashes in the wind

Unworthy breed
Fanatic Insane
Cleansed by fire
Burnt to a crisp

Incinerating vengeance
War to end all wars
Defiled and inferior
Now ashes in the wind

Deafening silence
Desolate winds
Nuclear aftermath
Charcoal remains

Incinerating vengeance
War to end all wars
Defiled and inferior
Now ashes in the wind
