The Fever [x2]

She don't know what she's talking about  
Yeah, she's running on empty  
She can't sing, she just screams and shouts  
Yeah, she's running on empty

She can't feel for the second choosing  
To live her life without you  
She'd be the one to - she'd be the one to  
Try and find what I'm after

B. She don't know what she's talking about  
Yeah, she can't sing, she just screams and shouts

C. He thinks it's easy  
But it's not easy  
Because without him  
My heart is empty

He thinks it's easy  
But it's not easy  
Because without him  
My heart is empty

She don't know what she's talking about  
Yeah, she's running on empty  
She can't sing, she just screams and shouts  
Yeah, she's running on empty

She'd be the one to say 'I don't know  
I don't know anything about you'  
But she can't live - she can't live -  
She can't live without you

She don't know what she's talking about  
Yeah, she can't sing, she just screams and shouts
