Lyrics and music by jackey beavers, john bristol and harvey fuqua

Someday we'll be together  
(oh, say it, say it, say it, say it again)  
Someday we'll be together  
(oh, yes we will, yes we will)

You're far away, baby  
From me my love, ooh yeah  
And just as sure my, my baby  
As there are stars above  
I wanna say

Someday we'll be together  
(ah, yes we will, yes we will)  
Someday, some sweet day  
We'll be together  
(oh, I know, I know, I know, I know)

My love is yours, baby  
Right from the start, oh yeah  
You, you, you possess my soul now honey  
I know, I know you own my soul now honey  
And I wanna say

Someday, some sweet day  
We'll be together  
(ah yes we will, yes we will)  
Someday, tell everybody  
(oh, I know)  
A long time ago, my, my sweet thing  
I made a big mistake honey  
I, said i, said goodbye  
(bye, bye, bye, bye)  
(baby, ever, ever)  
(ever, and ever, and ever)  
Ever, since that day now  
All i, all I wanna do  
All I wanna do  
Is cry, cry, cry

I long for you  
Every, every night  
Ooh, just to kiss your sweet lips baby  
Hold you ever, and ever so tight, and I wanna say

Someday, some sweet day  
We'll be together  
(oh, yes we will, yes we will)  
Someday we'll be together  
(oh I know, I know, I know, I know, I know)  
Someday we'll be together  
(yes we will, yes we will)  
Someday we'll be together
