Started off
Bobbys' home
Searching for his fantasies
Downloading porn for free
Suddenly, lightening struck
A tree fell down and came through the house
Electric shocks ran through the mouse
Somethings changed (somethings changed), he's not
the same
Bobby became pixel boy and the world he's going to
destroy
And if you get in his way he'll make you sorry
Bobby became pixel boy pushed to the point he will
destroy
Anyone in his way
Oh, they'll be sorry
Saturday, that slut came home
From another made up weekend
She's supposed to be chilling with her friends
He said "let me hold your hand and see.
With the power given to me I can upload your
memories."
He doesn't like what he sees
Bobby became pixel boy and the world he's going to
destroy
And if you get in his way he'll make you sorry
Bobby became pixel boy pushed to the point he will
destroy
Anyone in his way
Oh, they'll be sorry
Singled out
He's had enough
Of never really fitting in
His confidence if wearing thin
The answer came into his brain
It's to destroy the world like this!
The ever infamous pixel boy woke up today and was
overjoyed
'Cause during the night with a lightening strike he
became just Bobby

He doesn't wanna be pixel boy
He just wants to be a normal boy
A human life is not a toy and now he's sorry
Woah, woah
Another day for Bobby to start over
No more wishing that the world was over
