[Originally by The Beatles]

Little darling, it's been a long, cold lonely winter,
Little darling, it's been so long since you've been here.
Here comes the sun, here comes the sun,
And I say it's all right.

Little darling, it feels like ice is slowly melting,
Little darling, it's been so long since you've been here.
Here comes the sun, here comes the sun,
And I say it's all right.

Little darling, it feels like ice is slowly melting,
Little darling, it's been so long since you've been here.
Here comes the sun, here comes the sun,
And I say it's all right.

Uno, dos, tres. Here we go!

Little darling, it's been a long, cold lonely winter,
Little darling, it's been so long since you've been here.
Here comes the sun, here comes the sun,
And I say it's all right.

Here comes the sun, here comes the sun,
And I say it's all right. It's all right. It's all right.
Yeah.
