So, let me tell you about the way
I woke up without you Sunday morning
Let me tell you I'm here to stay
Despite my mindful efforts of leaving

So, let me tell that tale
Inside of that hotel
Still I was sitting in the corner
Trying to figure out if it went well
I exhale

So, now I get up and on my way
When I woke up beside you Monday morning
Well I guess that's the price you pay
When you wonder what happens if I stay

So, let me tell that tale
Inside of that hotel
Still I was sitting in the corner
Trying to figure out if it went well

I stepped outside
And I found a new day
I almost cried
But that's gone with yesterday

However life goes by
Would you give me the words to say
Even if I lied
Would you love me anyway?
Would you love me anyway?

So, let me tell that tale
Inside of that hotel
Still I was sitting in the corner
Trying to figure out if it went well...
