I...

I saw an uninspiring man
Then I took my glasses off
I find...
That the problems in my hand
And it makes me feel, if I could change

One...

Thing...
Yeah...

It would be the way I see you
(The way I see you)
To think without a care
I breathe it in the air

I...

I saw the world in black and white
Now I see beyond the grey
I'm blind...
Now I see beyond the light
And it makes me feel, if I could change

One...

Thing...
Yeah...

It would be the way I see you
(The way I see you)
To think without a care
I breathe it in the air

That one...

One thing
It makes me the man I am today

The way I see you
The way I see you

It would be the way I see you
(The way I see you)
The way I see you

(The way I...)

It would be the way I see you

(The way I see you)

The way I see you

(The way I...)

To think without a care

I breathe it in the air

To think without a care

I breathe it in the air
