Talk, talk, talk, talk
Your talk is cheap.
There was something I wanted to say
And I'm sure that it was deep.
Big as a rhino it's senseless, I know,
To even try,
But why not?
Don't get me started.
This is not what I wanted.
Walk, walk, walk, walk -
You gotta use your feet.
There was something I wanted to say,
But I want to keep my seat.
Big as a rhino it's senseless, I know,
To even try,
But why not?
Don't get me started.
This is not what I wanted.
