Forgotten child of the Merlin's disease
Spread dissent through the worship of trees
I'll take them all with not but a thought
For I'm created to kill a god

She speaks to me
Of times when I will rule the world

She speaks to me
Of agony
She tells me that I must kill her

My blade is stayed by her smile

But my mind was made all the while
UMON DEMANDS A SACRIFICE
Will I ever see her again?
UMON DEMANDS YOU TAKE HER LIFE
How easy men will kill for power and immortality

UMON: Carry on Endymion
RAUL: I... will burn the Earth in Nuclear flame

UMON: Kill the Sun
RAUL: I'll drink his blood, to let the Shrike take me away

Witness death in my fire eyes
Stealing life I ignore their cries
Shredding flesh the earth runs red
In trees of pain the future lies

UMON: Carry on Endymion
RAUL: I... will burn the Earth in Nuclear flame

UMON: Kill the Sun
RAUL: I'll drink his blood, to let the Shrike take me away

UMON: Carry on Endymion
RAUL: I... will burn the Earth in Nuclear flame

UMON: Carry on Endymion
RAUL: I... wont let the Shrike take me to Pain
