Ooh, yeah

Here ye, here ye, your attention please  
10, 9, 8, 7, 6, 5, 4, 3, 2, 1  
I hereby declare I'm on my knees  
I'm crazy in love, crazy in love with you

How did I survive before  
You took over my heart?  
Nothing in life I want more  
To be in your arms

These four words I've got to say to you  
Please hear me now

Be mine for life  
Be mine for life  
Be mine for life  
Be mine for life

How did I live life before  
You took over my heart?  
Nothing in life I want more  
To be in your arms

These four words I've got to say to you  
Please hear me now

Be mine for life  
Be mine for life  
Be mine for life  
Be mine for life

Be mine for life  
Be mine for life  
Be mine for life  
Be mine for life
