(Verse)

You point your fingers at the left and the right
Got all the answers , you know what's black and what's
white
Always a victim, no you're never part of the fault ,no

(Verse)

So listen mister why are you standing so tall
Don't put your boots on, come down from your wall
'Cause we're to blame for everything that's broken in
this world

(Chorus)

Blame me!
If you're looking for someone
To blame!
But I'm not the only one
Do you see that we are all the same
You can go ahead and
Blame me!

(Verse)

I had a talking, I was like a fly on the wall
It flew with arrows so many people would fall
Say something nice or don't say nothing at all

(Chorus)

Blame me!
If you're looking for someone
To blame!
But I'm not the only one
Do you see that we are all the same
You can go ahead and
Blame me!

(Bridge)

I had to stop looking around
Running to tear my brother down
I left my own mark on this town

(Chorus)

Blame me!
If you're looking for someone
To blame!
But I'm not the only one
Do you see that we are all the same
You can go ahead and
Blame me!

(Outro)
Blame me!
Do you see that we are all the same
You can go ahead and
Blame me!
Blame me!
Blame me!
